SEN. CHERRY ANNOUNCES FUNDING TO SAVE GROVELAND TOWNSHIP STATE POLICE POST

LANSING- Sen. Deb Cherry (D-Burton) announced today that a state police post located in Groveland Township will remain open as a result of funding approved by the Michigan state Senate this morning.

“This funding is important to safety efforts in our area, especially along the I-75 corridor,” said Cherry. “Today’s action is a win for anyone who lives, works, or travels through our community.”

Sen. Cherry has worked with representatives of the state police, local officials, and her colleagues in the state Senate to ensure that the Groveland Township post stays open beyond December 1, 2005. Approximately \$330,000 will go to the post for this fiscal year.

The legislation approved today also includes funding for fire protection efforts, law enforcement training grants, and fire investigation initiatives.
